Hi Nancy,  
Thanks for the opportunity to be part of this year's Coverdell submission. Attached are the narrative and budget for the Public Health Laboratory section.

I know how difficult it can be to integrate sections written by others into a cohesive document, so if you have questions next week or need additional information, please contact me at the phone number below.

Thanks,  
Julie Nassif

PS - Will the DPH request be considered as part of the base or competitive funding?
